

We welcome you to come and enjoy all of our beautiful surroundings and relax in our friendly community.

Our towns location gives us the extreme pleasure of being close to several spectacular sites and have access to a wide variety of outdoor activities.

Some of the sites you will find nearby include: [Fort Bridger Historical Site](#), [Fossil Butte National Monument](#) and [Flaming Gorge Reservoir](#). To learn more about additional places of interest in the area please visit [wyoming tourism](#).

If you're into outdoor adventure there are many different areas close to town that allow snowmobiling, ATV's, cross-country skiing, hiking, camping and fishing. The Blacks Fork of the Green River offers an opportunity to enjoy blue ribbon trout fishing.

Hunting season is a huge interest in our area. The local market can assist you with hunting/fishing licenses and regulation booklets. For hunting schedules and areas please visit [Wyoming Game and Fish](#).

If you're bringing children along on your visit, the town park is a wonderful place to play and take in the fresh clean air. We have two large playgrounds and a paved trail for walking or jogging.

Any time of year, Mountain View is a great place to visit -- come see how we're building a quality community

Where are we located in Wyoming?

The Town of Mountain View is located approximately 40 miles east of Evanston, Wyoming off of I-80.
